Aşağı Mahalle Çarşı Camii Caddesi Acıpayam/Denizli

Education History

- 2019-Ongoing ● Hacettepe University
Engineering Department
Industrial Engineering
(3.18/4)
- 2015-2019 ● Eskişehir Fatih Fen High School
(94,39/100)

Work Experience

- August 2023 ● Quality Control Intern
Mechanical and Chemical Industry Corporation, Inc
I did my second internship in the company called Mechanical and Chemical Industry Corporation, Inc (MKE in turkish) and I observed the quality control tests of gas masks during this internship.
- July 2023 ● Production Planning and Control Intern
TAI Turkish Aerospace Industries, Inc.
I did my first internsahip in the company called TAI. I opened purchasing orders (PO) for certain parts, and I checked the purchasing request (PR) information if it matches the parts during the internship. I also calculated the penalty exemptions of the companies and conveyed this to the companies.
